

Dog Days of Summer at the Monadnock Humane Society Training Center

Come join us for a dog-training class or workshop in our Air
Conditioned Training Center!

Summer Dog Training Classes now open for enrollment:

Contact Alice for registrations- 603-352-9011 x112 alices@humanecommunity.org
or ONLINE enrollment is available for all classes here: <http://www.monadpets.org/courses/index.html>

Puppy Kindergarten Start your new puppy out right through proper socialization, positive training and support for those nuisance behaviors puppies have. For puppies 8-16 weeks at the start of class.

http://www.monadpets.org/courses/id_19.html

Tuesdays: Starts July 20th 5:30PM

Thursdays: Starts July 15th 6:30PM

Saturdays: Starts July 10th 10:00AM

Everyday Canine Essentials is our basic training class here at MHS. We help you train your dog to sit, down, come when called, stay and more! For dogs 4 months and older.

http://www.monadpets.org/courses/id_20.html

Tuesdays: Starts July 20th 6:30PM

Thursdays: Starts July 15th 7:30PM

Fridays: Starts July 23rd 11:00AM

Saturdays: Starts July 10th 9:00AM

Focused Fido is our Level 2 obedience class. It's for dogs who already know sit, down and the beginnings of stay. This class helps get your dog to become more reliable in those known behaviors, get a really dependable stay, heel, settle down, and a variety of tricks for fun and function. Focused Fido is a good class for those interested in taking Agility, Rally or Competition Obedience classes in the future. For dogs 4 months and older.

Summer Dog Training Seminars, Workshops and Lectures

MHS is proud to offer a wide variety of dog-related activities and workshops for dog owners, trainers and competitors. The following workshops are scheduled for you to consider:

Sunday, July 8th Tellington TTouch for Dogs 9:30AM-4:30PM

This workshop will be a hands-on experiential introduction to the TTouch Bodywork, tools and confidence course. You will be working on your own dog or partnering with other participants and their dogs.

Saturday, August 21st "Ring Ready" Rally Workshop

Novice 9:00AM-Noon; Advanced/Excellent 1:00-4:00PM

This workshop is designed to help Rally Obedience teams increase their scores, improve their heeling and develop better teamwork with their dog each time they step into the Rally ring to compete.

Saturday, August 28th Thunderstorm Phobia Lecture 11:00AM-1:00PM

This seminar is to help dog owners and trainers better understand and learn techniques to help their fearful dog better cope with thunderstorms.

Online registration is available for all these workshops or please contact Alice to register. Alices@humanecommunity.org 603-352-9011 x112

For more information on these workshops and more: <http://www.monadpets.org/seminars.html>

Are you experiencing a behavior problem with your dog?

Most behavioral problems can be resolved or reduced significantly through behavior modification and training. Solutions used to resolve or reduce behavioral problems are scientifically proven and applied in a no-force, humane manner. Our goal is to enhance each individual human-animal relationship while reducing or eliminating unwanted behaviors through one-on-one coaching to help you resolve or significantly reduce the problem behavior.

MHS has an Associate Certified Applied Animal Behaviorist on staff to assist with any serious behavioral problems you may be having with your dog. Sharon Wirant, CPDT-KA, ACAAB is available for behavioral consults for aggression, anxiety, house-soiling, barking, destructiveness and more. Sharon@humanecommunity.org 603-352-9011 x115
